***\*Please note: the event schedule is subject to last minute changes.***

Entries are very high this year and as such we ask all coaches and team managers for their help in ensuring their swimmers are ready at the right time and in the right place.

Warm up in the competition pool is very limited, however the Twyver Pool will be available throughout for swimmers who are competing in their scheduled event.

### Draw

Detailed draw can be found on **page 10**.

### Music Submission

Thank you to those who have submitted music online, this process was successfully trialled with the Combo Cup in September. Clubs are requested to submit their music on line by 12 noon Wednesday 22 November. This is different to what is outlined in the conditions, but it is a more reliable process with better quality music.

### Team Managers Meeting

A Team Managers meeting will be held in Studio 5 (GL1 Leisure Centre) **at 07:45am on Saturday and at 07:30am on Sunday**. This room is located on the ground floor down the corridor from the café and it will be clearly signposted.

A representative from each club must attend and a roll call will be held at the beginning of the meeting. The meeting will last approx. 15 minutes.

### Judges Meeting

The Judges Meeting will take place in Holiday Inn Express Hotel Gloucester South (Telford Way, Gloucester, GL2 2AB) on Friday 24 November at 07:30pm. The room will be clearly signposted from the entrance.

### Registration and Team Declaration

On arrival, all competitors are required to register with the Athlete Services Team at the registration desk located in the rotunda area of the changing rooms.

Clubs must complete a team declaration form and submit to the Referee via the Athlete Services Team at the times stated below. Changes after this time may only be made in the case of sudden illness or accident of the competitor, at the discretion of the Referee and if the reserve is ready to compete without delaying the event.

All declaration forms must be signed by the team manager before submitting to the Referee.

- **Figures:** register **30 minutes** before their warm up
- **Solo and Duet:** register **1 hour** prior to their first event
- **Teams:** register by 10am on Sunday 26 November

### Swimmers will only need to register once upon arrival at the event

Athlete Services registration desk will be open from **7am** each day of the event.

### Coach and Athlete Accreditation

All competitors and coaches will have received a link for printing their accreditation pass upon completion of entry (by e-mail). Competitors must print their own accreditation at home and bring it to the event.

Once printed, accreditation should be folded twice so that the photograph is visible on the front and the event/s are visible on the back. Lanyards and pouches will be available from a collection point at the venue. Please contact Event Officer, Thysia Pater-Dye [thysia.pater-dye@swimming.org](mailto:thysia.pater-dye@swimming.org), if you have not received the link to the accreditation by e-mail.

There is a £10 charge for any accreditations that have to be printed at the event. **This charge is not negotiable.**

**Admission to the changing facilities and poolside will not be permitted unless you have a coach/chaperone pass. This ruling is set by Swim England and the Synchronised Swimming Leadership Team, and is key to ensuring child safety at events and will be strictly monitored.**

### Withdrawals

Competitors and teams looking to withdraw must do so with the Athlete Services Team no later than one hour before the start of the event they are competing in.

### Warm Up

Specific warm up times are mentioned in the event schedule which will be limited general warm up in the main competition pool, the Barton Pool; there is no swim through with music and due to a busy schedule deck work may be limited.

The safety of swimmers in warm up is the responsibility of the accredited coach at all times. An event training marshal will co-ordinate the session and may override coaches on behalf of the Event Director on both operational and safety grounds.
